TIME & MONEY

LIGHTWEIGHT

- Moldable weather block
- Blocks entry of wind driven moisture between field and trim tiles
- Rollable installation saves time and reduces labor costs
- Adhesion and flexible to work with all tile profiles
- Available in 2 width sizes
- UV resistant

FEATURES AND BENEFITS

Zephyr Block™ is the choice for all non-vented weather blocking needs. Manufactured for durability and flexibility, it will reduce installation labor and costs while increasing the longevity of the entire roof. The material composition Polyisobutylene (PIB) between folded aluminum composite foil and Butyl adhesive strips provides the moldability to make this a truly universal weather blocking solution to seal all roof abutments and for all tile profiles.
